

## A FEW WORDS ABOUT THE WALSHINS....

Our annual golf outing is a tribute to Marty & Iris Walshin, two wonderful people, who cared for St. John's Riverside Hospital in ways that were both unique and personal. Together, they helped set the standard for giving and touched the lives of many in the City of Yonkers.

St. John's has long been the recipient of the Walshins' generosity, with both Iris and Marty serving on our Board of Trustees, making significant contributions to our Emergency Room, and awarding annual scholarships to our Cochran School of Nursing, which continues today through the generosity of the Marty and Iris Walshin Foundation.

The Walshin's philanthropic support was matched only by the time and energy they gave to countless projects and organizations.
