PURSUE THE DREAM
OF BECOMING A NURSE

The Cochran School of Nursing prepares graduates for employment in the rewarding field of nursing care.

At the renowned Cochran School of Nursing, patient care is at the heart of how we teach nursing care. An integral part of St. John’s Riverside Hospital, our focus is on clinical practice experience and preparing graduates for employment.

"It is not how much you do, but how much love you put into doing it."
- Mother Theresa
