AT ST. JOHN’S RIVERSIDE HOSPITAL
THE BEST IS GETTING BETTER

“YOU’RE GOING TO FEEL THE DIFFERENCE”
- JAMIE PLEVA
BREAST CANCER SURVIVOR

THE MOST ADVANCED BREAST CARE AVAILABLE

FIRST NATIONALLY ACCREDITED BREAST CARE CENTER IN WESTCHESTER
FIRST TO PERFORM INTRAOPERATIVE RADIATION
A technique that delivers a concentrated dose of radiation, eliminating lengthy radiation treatments.

PIONEER IN IMMEDIATE RECONSTRUCTION
Nipple sparing mastectomy with immediate reconstruction providing an extremely pleasing cosmetic one-step procedure.

PERSONALIZING THE EXPERIENCE
The Avon Foundation funded Patient Navigator guides our patients through all of the resources and care services available.

The most comprehensive breast care available—another example of St. John’s Riverside Hospital’s commitment to provide you the most sophisticated care possible.

- ANDREW ASHIKARI, MD., FACS
BREAST CARE
